The Montana Department of Transportation, Aeronautics Division will once again be offering an I.A. renewal seminar in association with the Montana Aviation Conference. Aviation industry representatives and the Federal Aviation Administration will offer many interesting and educational programs.

Mechanics attending this year's seminar MUST register for the Aviation Conference. If paid by February 1, 2008 the registration fee is \$65.00 (\$75.00 after February 1, 2008) which allows you to attend any of the concurrent sessions, morning and afternoon coffee breaks with snacks, Friday night dinner/entertainment and the Saturday luncheon. If you plan to only attend the eight hours of training on Saturday, a \$20.00 registration fee is all that is required. If you are a pilot, you may already have received an aviation conference registration form in the mail, if you are registered using this form, no further registration is necessary. All mechanics will be required to register for the conference prior to attending any mechanics refresher sessions. Mechanics registration, for the conference, will be held at the conference registration table all day Thursday, Friday and Saturday.
